**NOTICE: REQUEST FOR PERFORMANCE**

Dear Honorable Judge Montali,

I have recently come to learn of a request from a Federal Judge Lucy Koh, in your District of Northern California, Case number 5:16-MD-02752-LHK who, upset with the general murkiness of the case before her, is asking the attorneys to prove up their claims of expenditures prior to granting settlement.

Should this not be a standard practice included in bankruptcy proceedings?

Sincerely,  
Lisa Hill
